NHAI to Revise FASTag Annual Pass Fee from 1st April 2026 for FY 2026-27

New Delhi, 15th March 2026: NHAI has announced to revise the applicable fee for Fastag Annual Pass from current Rs. 3,000 to Rs. 3,075 for the Financial Year 2026–27. The increased fee will be applicable from 1st April 2026. The revision in the fee has been carried out in accordance with the provisions of the National Highways Fee (Determination of Rates and Collection) Rules, 2008. With over 56 lakh users, the adoption of Fastag Annual Pass has been growing among private vehicle owners.

The revised rate will be applicable for eligible non-commercial vehicles with valid FASTag seeking to avail the Annual Pass facility at about 1,150 fee plazas on National Highways and National Expressways. The FASTag Annual Pass eliminates the need to frequently recharge FASTag through one-time fee payment for one year validity or 200 toll plaza crossings. The pass is applicable for all non-commercial vehicles with a valid FASTag. The annual pass gets activated within two hours on the existing FASTag linked to the vehicle after payment of one-time fee payment through Rajmargyatra App or NHAI website.

Launched on 15th August 2025, the overwhelming response to the FASTag annual pass underlines the greater convenience and a cost-effective travel option it provides to the National Highway users across the country.
