

Press Release:

## **NHAI Achieves Robust Growth in National Highway Development During FY 2025-26**

**New Delhi, 01<sup>st</sup> April 2026:** Working relentlessly towards development of the National Highway infrastructure in the country, NHAI during the Financial Year 2025-26 constructed 5,313 km of National Highways, which is about 15% higher than the target of 4,640 km for the year.

Also, the Capital Expenditure by NHAI in Financial Year 2025-26 for development of National Highway Infrastructure was at Rs. 2,44,362 Crores. The capital expenditure for the Financial Year is about 2.5% higher than the Government Budgetary Support of Rs. 2,38,384 Crores for the year. The differential amount of Rs. 5,978 Crores has been met through NHAI's own resources.

NHAI is committed to build world class National Highway infrastructure across the country that will contribute not only to the growth of the road sector but will also play a critical role in nation building and contribute towards advancing the growth of the Indian economy.
