FOSTERING A CULTURE OF VIGILANCE AND ACCOUNTABILITY

Vigilance is a cornerstone of good governance, ensuring that public institutions function with integrity, transparency and accountability. In the government sector, where decisions and resources directly influence public welfare, vigilance plays a vital role in promoting ethical conduct and safeguarding public interest. Beyond detecting irregularities, it encourages a culture in which honesty, fairness and responsibility guide everyday decisions.

An effective vigilance framework promotes adherence to established procedures, responsible use of public resources and impartial decision-making. It also strengthens institutional credibility by encouraging officials to exercise due diligence and remain accountable for their actions. These principles are particularly significant in infrastructure development, where projects involve substantial investments, complex procurement processes and multiple stakeholders. Transparency in project execution, financial management and contract administration is essential to ensuring that public expenditure delivers its intended benefits. To further strengthen this commitment across public institutions, Vigilance Awareness Week is observed annually by government departments and public sector organisations across India. Vigilance Awareness Week provides an opportunity to renew this commitment and strengthen awareness of ethical governance. Its significance extends beyond the observance itself, emphasising the need to make integrity, fairness and accountability an integral part of everyday professional conduct. NHAI recognises the importance of ethical conduct in discharging its responsibilities. Alongside technical expertise and efficient project execution, transparent decision-making and accountability are essential to effective National Highway infrastructure development.

Reflecting the theme 'Probity for Prosperity', NHAI's observance of Vigilance Awareness Week 2026 translated these principles into collective action through pledges, awareness activities and employee participation.

VIGILANCE AWARENESS WEEK 2026

NHAI Observes Vigilance Awareness Week 2026

NHAI observed Vigilance Awareness Week from 26th October to 1st November 2026 under the theme ‘Probity for Prosperity’. The observance commenced with a formal ceremony at NHAI Headquarters in New Delhi, where Shri Vishal Chauhan, Member (Admin), administered the ‘Satyanistha Pratigya’ to officials and staff members, reaffirming the organisation's collective commitment to integrity, transparency and ethical conduct.

Awareness Initiatives

Several activities were organised throughout the week to strengthen awareness of vigilance and ethical governance. These included an essay-writing competition, a poster-making competition based on the theme and an extempore speech competition, all of which witnessed enthusiastic participation from officials and staff members. A quiz competition was also held at the headquarters to enhance employees' understanding of vigilance and ethics in governance. The initiatives encouraged employees to reflect on their individual responsibilities in preventing corruption and promoting accountability, reinforcing the importance of ethical conduct in everyday work.

Recognising Collective Responsibility

The vigilance week concluded with a closing event on 3rd November 2026 at NHAI Headquarters in New Delhi. Shri Vishal Chauhan, Member (Admin), NHAI and Shri Ashish Nath, Chief Vigilance Officer, NHAI addressed the audience and felicitated the winners of various competitions, encouraging everyone to remain vigilant in all aspects while upholding the principles of integrity and transparency. The event was attended by NHAI officials and staff members. A cultural programme and a short play were also organised to highlight the importance of integrity and ethical conduct in public service. importance of integrity and ethical conduct in public service.

The Vigilance Awareness Week 2026 reflected NHAI's continued efforts to nurture a transparent, responsible and ethical work culture. In keeping with the theme ‘Probity for Prosperity’, the initiative reinforced the message that integrity and vigilance are collective responsibilities. By embedding these values into everyday practices, NHAI seeks to strengthen accountability, uphold public trust and ensure that its work remains guided by the larger public interest.

PROJECT LAUNCHES

Hon’ble Prime Minister Laid Foundation Stone of Various Key Projects in Gujarat

On 8th September 2026, Hon'ble Prime Minister Shri Narendra Modi laid the foundation stone for various projects in Gujarat worth Rs. 1,780 Crores. These projects include six-laning of 13.8 km long Kamrej–Chalthan section of NH-48 in Gujarat; construction of additional structures, including major bridges over River Tapi and River Narmada on the Vadodara–Surat section of NH-48 in Gujarat; construction of grade-separated structures at Abhava, Mindhola and Khajod Junctions on NH-53 in Gujarat. These projects will strengthen regional connectivity and enhance traffic capacity on NH-48, ensuring faster and smoother travel. The development of service roads and improved traffic segregation will help reduce congestion, enhance road safety and facilitate the seamless movement of commuters. The projects will also address capacity bottlenecks at existing narrow bridges, improving traffic flow and increasing the overall capacity of the corridor. Furthermore, flyovers at identified blackspots will minimise traffic conflicts and help reduce the risk of accidents. The enhanced corridor will improve connectivity between Vadodara, Surat and Bharuch, supporting logistics efficiency and regional economic growth. In addition, improved connectivity to Hazira Port and enhanced operational efficiency and capacity of NH-53 will facilitate industrial activity and contribute to the region’s economic development.

Hon’ble Prime Minister Laid Foundation Stone and Inaugurated Various NH Project in Tamil Nadu Worth Rs. 3,700 Crores

On 11th October 2026, Hon'ble Prime Minister laid the foundation stone for the four-lane, 15 km long Thiruvarur Bypass on the Nagapattinam–Thanjavur section of NH-83, paving the way for improved mobility and reduced congestion in Thiruvarur town. The bypass will reduce travel time by half, divert traffic away from densely built-up areas and help improve traffic movement within the town. The corridor will also strengthen connectivity to Karaikal Port and facilitate faster transportation of agricultural produce from the Cauvery Delta Region to major markets and improve access to religious and tourism destinations along the Thanjavur–Thiruvarur–Nagapattinam/Karaikal corridor. Hon’ble Prime Minister also inaugurated the four-laning of 36 km long Vadugapatti–Therkuvenganallur (Rajapalayam) section of NH-744 in Tamil Nadu, strengthening connectivity along the Madurai–Kollam inter-state corridor. The project will reduce travel time from 2 hours to approximately 1 hour. Bypasses at Srivilliputhur, Rajapalayam and Sivakasi will help ease urban congestion, improve movement of people and goods through important textile, bandage and fireworks manufacturing hubs. The corridor will also enhance access to prominent destinations, including Courtallam Falls and the revered Srivilliputhur Andal Temple. Further, improved interconnectivity between NH-44, NH-66 and four State Highways will support tourism, trade and regional development. During his visit, Shri Narendra Modi also inaugurated four-laning of the 30 km long Vadipatti–Thamaraipatti (Madurai Ring Road) section of NH-744A. The project will connect the Dindigul–Samayanallur section of NH-44 with the Trichy–Madurai section of NH-38, helping divert through-traffic away from Madurai city and ease congestion. The corridor will also improve access to northern Madurai, surrounding villages, tourist destinations and industrial estates, supporting smoother movement of people and goods and create new opportunities for regional economic growth.

Shri Nitin Gadkari Inaugurated Key NH Project in Maharashtra

On 19th September 2026, Shri Nitin Gadkari, Hon'ble Minister for Road Transport and Highways, inaugurated the Indora–Dighori Flyover on NH-353D, marking a significant step towards improving urban mobility and strengthening road infrastructure. Constructed using advanced Ultra-High Performance Fibre-Reinforced Concrete (UHPFRC) technology, the project incorporates long-span structures, Road Overbridges (ROBs), Road Underbridges (RUBs), strategically planned ramps and integration with the Metro corridor. These features are designed to facilitate smoother traffic movement and improve connectivity across the city. The flyover will reduce congestion, enhance road safety and improve travel reliability for commuters. By providing better access to key destinations, including hospitals, markets and public transport facilities, the project will support more efficient daily travel.

CHAIRMAN'S MESSAGE

Santosh Kumar Yadav, IAS
Chairman, NHAI

Dear Friends,

I extend my warm greetings and best wishes for a happy and prosperous festive season. The festivals of our country celebrate the spirit of joy, hope and togetherness that unites us as a nation.

I am pleased to share that this edition of Rajmaarg is dedicated to the 'Vigilance Awareness Week 2026', observed across NHAI offices nationwide to reinforce the importance of ethics, integrity and transparency in public administration. As infrastructure development plays a vital role in India's economic growth, upholding the highest standards of probity and accountability is essential to safeguarding public resources and strengthening institutional credibility. These values must remain integral to our organisational culture.

Also, nationwide observance of 'Swachhata Hi Seva' brought together NHAI officers and staff at Headquarters and Regional Offices in a collective effort to promote cleanliness, environmental responsibility and a healthier India. NHAI also celebrated 'Hindi Pakhwara', recognising Hindi as an integral part of our cultural heritage and collective identity. Promoting Hindi in official communication helps bridge tradition and modernity while making institutional interactions more accessible and inclusive.

In continued endeavour to enhance 'Ease of Living', two important initiatives were introduced recently. Launch of 'OneTag', enables FASTag users to change their issuer while retaining their existing physical tag. Also, the launch of 'Concessional Local Pass' facilitates affordable monthly travel for eligible non-commercial vehicle owners residing within 20 km of a National Highway fee plaza.

Further, to strengthening citizen engagement and improve the National Highway user experience, 'Toll Plaza Feedback' feature was also introduced on the Rajmargyatra app. The feature enables National Highway users to share their experiences and feedback on toll plaza services, providing valuable insights to further improve service delivery. These initiatives reflect Government of India's commitment to simplify processes and improve the National Highway user experience.

As we continue to expand and modernise the National Highway network, our endeavour must be to deliver infrastructure and services that are efficient, accessible and responsive to citizen needs.

I hope you will find this edition of the newsletter informative and enriching.

Best Wishes,
Santosh Kumar Yadav

Government of India and Government of Bihar Sign MoU for River Desilting and Sustainable Highway Construction

A significant Memorandum of Understanding (MoU) signed between the Ministry of Road Transport and Highways, Government of India, and the Government of Bihar to promote river rejuvenation and sustainable highway development on 3rd November 2026. Under this initiative, NHAI will undertake scientific desilting of rivers to enhance their water-carrying capacity, improve drainage and mitigate flood risks. The extracted silt will be utilised in the construction of National Highway projects, reducing dependence on natural topsoil and lowering construction costs. The initiative envisages the utilisation of 24.3 million cubic metres of silt across 16 ongoing projects, with another 83.5 million cubic metres proposed for 27 upcoming projects. This collaborative approach will integrate river management with infrastructure development while promoting efficient resource utilisation and environmental sustainability.

Shri Nitin Gadkari Launched Two Reports at Chintan Shivir 2026

Shri Nitin Gadkari, Hon'ble Union Minister for Road Transport and Highways, along with Hon'ble Minister of State for Road Transport & Highways and Corporate Affairs, Shri Harsh Malhotra, released the report "FASTag Annual Pass – One Year of Transforming Highway Travel", at Chintan Shivir 2026, highlighting the impact of this citizen-centric initiative on highway mobility. The report documents how simplified toll payments, fewer travel interruptions and a seamless travel experience have enhanced convenience for National Highway users. The initiative underscores the Government of India's commitment to leverage technology for efficient and user-friendly highway travel. Reaffirming the focus on sustainable infrastructure, Shri Nitin Gadkari also released the document 'Wildlife Mitigation Measures & Structures'. It outlines measures and best practices to minimise the impact of highway development on wildlife habitats and movement. The document serves as a reference for integrating wildlife protection into highway planning, design and construction, promoting safer wildlife passage while supporting sustainable infrastructure development. Together, these initiatives reflect the commitment to balancing efficient connectivity with environmental responsibility.

'OneTag' FASTag Portability Service Goes Live on Rajmargyatra App

Hon'ble Union Minister for Road Transport and Highways, Shri Nitin Gadkari, launched 'OneTag' at Global Fintech Fest 2026 on 11th September 2026. 'OneTag' enables users to switch their NETC FASTag issuer bank while retaining their existing physical tag, eliminating the need for a new tag. Available on NHAI's Rajmargyatra mobile app, the service allows users to initiate the issuer-switching process by verifying vehicle details, selecting a new issuer and completing the required onboarding formalities. By simplifying bank switching, OneTag enhances customer choice and supports greater interoperability and efficiency within the NETC FASTag ecosystem. OneTag marks a further step towards streamlining the user experience by reducing repeated tag issuance and making issuer portability more convenient. The service also strengthens Rajmargyatra's citizen-centric digital offerings, which include the FASTag Annual Pass, FASTag Local Pass, Emergency Helpline 1033 and MargMitra Help Centre.

NHAI Signs MoU with SSNNL to Simplify Approval Framework for National Highway and Irrigation Infrastructure Projects in Gujarat

On 22nd September 2026, NHAI and Sardar Sarovar Narmada Nigam Limited (SSNNL) signed a MoU to establish a simplified and time-bound approval framework for National Highway, canal and pipeline crossings across Gujarat. The agreement aims to strengthen inter-departmental coordination, expedite approvals and ensure seamless execution of highway and irrigation infrastructure projects.

A key provision of the MoU is the mutual waiver of various fees, charges and levies for crossings covered under the agreement.

This will help reduce project costs, eliminate procedural bottlenecks and optimise the utilisation of public funds. The agreement also provides for early sharing of project information, standardised engineering practices and clearly defined responsibilities for the construction and maintenance of crossing structures.

The initiative marks a significant step towards integrated infrastructure planning in Gujarat, improving implementation timelines, operational efficiency and coordination between the two agencies while supporting enhanced connectivity and economic growth.

NHAI launches project ‘Aarohan 2.0’ to support education for children of toll plaza employees

On 17th September 2026, NHAI, in collaboration with Vertis Infrastructure Trust and Tarq Foundation, launched Project Aarohan 2.0 to further support the educational aspirations of children of toll plaza employees. The programme was inaugurated by NHAI Chairman Shri Santosh Kumar Yadav at NHAI Headquarters in New Delhi, in the presence of Dr. Zafar Khan, Executive Director and Joint CEO, Vertis Infrastructure Trust, and other senior NHAI officials. Building on the success of its first phase, the initiative aims to reduce financial barriers and promote equitable access to quality education for students from economically weaker sections, particularly girls from low-income households. Beyond financial assistance, the programme will provide mentorship, skill-development workshops and career guidance to help students pursue higher education and prepare for future opportunities in employment and entrepreneurship. Through Aarohan 2.0, NHAI continues to advance inclusive development by empowering young learners and supporting their long-term educational and professional aspirations.

NHAI Achieves Tunnel Excavation Breakthrough to Boost Connectivity in Andhra Pradesh

On 4th September 2026, NHAI achieved a breakthrough in the excavation of the 3.68 km long tunnel under Package-9 of the Bengaluru–Kadapa–Vijayawada Economic Corridor, connecting Porumamilla in YSR Kadapa district with Sitaramapuram in SPSR Nellore district in Andhra Pradesh. The development marks a significant milestone in strengthening regional connectivity. The tunnel will bypass the existing longer route and reduce travel distance by approximately 17 km. The economic corridor will shorten the Bengaluru–Vijayawada travel distance by 110 km, saving 3–4 hours of travel time. Additionally, it will enhance connectivity with NH-44 and NH-16 and provide direct access to the Hindupur and Kopparthi industrial nodes, supporting regional economic activity and more efficient movement of people and goods.

NHAI Organises Session on Dashcam Analytics to Strengthen National Highway Monitoring

NHAI organised a session on 'Dashcam Analytics' at its Headquarters in New Delhi on 16th October 2026, with the objective of strengthening technology-driven monitoring and maintenance of National Highways. The session was led by Shri L.P. Padhy, Chief General Manager (CGM), NHAI, and covered key aspects of dashcam-based analytics for highway monitoring. The discussions focused on the process for submitting Action Taken Reports (ATRs) and the key features of the centralised Falling Weight Deflectometer (FWD), among other relevant aspects of technology-enabled highway assessment and maintenance. The session brought together NHAI officials from Headquarter and field offices, providing a platform for knowledge-sharing and greater understanding of technology-driven monitoring processes. The initiative reflects NHAI's continued focus on leveraging digital tools and data-driven approaches to enhance highway maintenance, improve monitoring efficiency and strengthen the overall management of the National Highway network.

Government of India Introduces Concessional Local Pass for National Highway Users Residing Near Fee Plazas

The Government of India has introduced a 'Concessional Local Pass' to enhance the ease of commuting for eligible non-commercial vehicle owners residing within 20 km of a National Highway fee plaza. The provision has come into effect on 1st November 2026, offering an annual pass for ₹1,500 at fee plazas located outside municipal or local town limits and ₹3,000 at plazas situated within these limits. Eligible vehicle owners with a valid and functional FASTag can choose between the existing monthly pass and the new concessional pass, which will be valid exclusively at the selected fee plaza and will be non-transferable. The facility will not apply to National Highways or Expressways with a closed user-fee collection system or where a service road or alternative route is available. The pass will be available at eligible fee plazas from 1st November 2026 and through the Rajmargyatra App from 1 December 2026. Notified under the National Highways Fee Rules, 2026, the provision aims to make travel more economical for local residents.

NHAI Strengthens Asset Monetisation with TOT Bundle-19

On 27th October 2026, NHAI realised a concession fee of ₹2,259 crore from Toll-Operate-Transfer (TOT) Bundle-19, marking further progress in its asset monetisation programme. The bundle comprises the 128.07 km Madurai–Tuticorin section of NH-38 and the 41.57 km Thanjavur–Trichy section of NH-83, covering three toll plazas at Elliyarpathy, Pudhurpandiyapuram and Valavanthankottai. Awarded for a concession period of 20 years, the transaction underscores NHAI's continued efforts to unlock value from operational National Highway assets, improve highway management efficiency and mobilise resources for future infrastructure development.

NHAI Reinforces Commitment to Cleanliness and Sustainability Through Nationwide Initiatives

As part of the annual Swachhata Hi Seva 2026 campaign, observed across the country from 17th September to 2nd October 2026 under the theme “Swachhata Mein Sahbhag; Swachh Bharat, Viksit Bharat”, NHAI undertook several initiatives.

These initiatives focused on promoting cleanliness, environmental sustainability and community participation across its offices and project locations. At NHAI Headquarters in New Delhi, officers and staff took the Swachhata Pledge, reaffirming their commitment to cleanliness and public participation. Under the ‘Ek Din, Ek Ghanta, Ek Saath’ initiative, cleanliness drives were organised at various locations across NHAI’s Regional Offices, with active participation from officers, staff and local communities.

These activities focused on improving the cleanliness of public spaces and surrounding areas, while encouraging collective responsibility towards maintaining a clean environment. Plantation drives were also conducted under the ‘Ek Ped Maa Ke Naam’ initiative to promote environmental awareness and expand green spaces. These initiatives reflect NHAI’s continued commitment to cleanliness, civic responsibility and environmental conservation, contributing to cleaner public spaces, greener surroundings and the vision of a Swachh Bharat and Viksit Bharat. Here are a few glimpses:

NHAI Organises Voluntary Blood Donation Camp at Headquarters

On 1st October 2026, NHAI organised a Voluntary Blood Donation Camp at its Headquarters in New Delhi to mark National Voluntary Blood Donation Day. The camp witnessed participation from NHAI officers and employees in support of this life-saving cause and promote awareness about the importance of regular voluntary blood donation. The camp encouraged active participation in strengthening the nation's healthcare system and ensuring the availability of blood for patients in need. Through this initiative, NHAI reaffirmed its commitment to social responsibility and community welfare, highlighting the importance of collective efforts in saving lives.

NHAI Introduces Toll Plaza Feedback Feature on Rajmargyatra App to Improve National Highway User Experience

In a significant initiative to improve user experience at toll plazas, NHAI introduced 'Toll Plaza Feedback' feature on the Rajmargyatra mobile app to enable National Highway users to share their experience at toll plazas. The initiative aims to strengthen citizen participation and support efforts to make National Highway journeys safer, smoother and more convenient. NHAI has been encouraging user feedback to improve service delivery at the toll plazas. After Crossing a national highway toll plaza, Annual pass users will receive a notification from Rajmargyatra app inviting them to share their toll plaza experience. Users can rate their experience on a scale and select options relevant to their journey as well as add remarks, if any. The feature provides National Highway users with a channel to report their experiences and highlight issues requiring attention. It will also support NHAI efforts to identify and monitor areas, where improvements in toll plaza services may be required. Citizen participation will help NHAI to address user concerns and work towards improving service delivery at the toll plazas across the National Highway network.

भा.रा.रा.प्रा. मुख्यालय में हिंदी पखवाड़ा 2026 का आयोजन

भारतीय राष्ट्रीय राजमार्ग प्राधिकरण (भा.रा.रा.प्रा.) के नई दिल्ली स्थित मुख्यालय में राजभाषा हिंदी के प्रचार-प्रसार एवं कार्यालयीन कार्यों में इसके प्रभावी प्रयोग को प्रोत्साहित करने के उद्देश्य से 14 से 30 सितंबर 2026 तक हिंदी पखवाड़ा आयोजित किया गया। इस दौरान अधिकारियों एवं कर्मचारियों की सहभागिता बढ़ाने के लिए विभिन्न प्रतियोगिताओं एवं सांस्कृतिक कार्यक्रमों का आयोजन किया गया।

14 सितंबर: हिंदी दिवस उद्घाटन समारोह

हिंदी पखवाड़े का शुभारंभ हिंदी दिवस समारोह के साथ हुआ। भा.रा.रा.प्रा. अध्यक्ष श्री संतोष कुमार यादव ने वर्चुअल माध्यम से अधिकारियों एवं कर्मचारियों को शुभकामनाएँ देते हुए दैनिक कार्यों में हिंदी के प्रभावी प्रयोग पर बल दिया। उन्होंने बताया कि प्राधिकरण द्वारा विकसित 'भाषार्थ' मंच के माध्यम से हिंदी एवं अंग्रेज़ी सहित 12 भाषाओं में अनुवाद संभव है। मुख्य अतिथि प्रो. (डॉ.) प्रमोद कोवाप्रथ ने हिंदी को देश के विभिन्न क्षेत्रों और समुदायों को जोड़ने वाली भाषा बताया।

15 से 22 सितंबर: विभिन्न प्रतियोगिताओं का आयोजन

पखवाड़े के अंतर्गत 'देखो और लिखो', 'हिंदी काव्य-पाठ', 'टिप्पणी-लेखन', 'श्रुतलेख',' हिंदी टंकण' तथा 'हिंदी टिप्पणी' एवं 'प्रारूप-लेखन' प्रतियोगिताएँ आयोजित की गईं। इन गतिविधियों के माध्यम से प्रतिभागियों को अपनी भाषाई दक्षता प्रदर्शित करने तथा कार्यालयीन कार्यों में हिंदी के प्रयोग को बढ़ावा देने का अवसर मिला।

मुख्यालय में हिंदी पुस्तक प्रदर्शनी का आयोजन

हिंदी भाषा के प्रचार-प्रसार तथा राजभाषा के प्रति जागरूकता बढ़ाने के उद्देश्य से प्राधिकरण के नई दिल्ली स्थित मुख्यालय में 24 सितंबर से दो दिवसीय हिंदी पुस्तक प्रदर्शनी का आयोजन किया गया। प्रदर्शनी का उद्घाटन भा.रा.रा.प्रा. के अध्यक्ष श्री संतोष कुमार यादव ने अधिकारियों एवं कर्मचारियों की उपस्थिति में किया। प्रदर्शनी में हिंदी साहित्य, प्रशासनिक विषयों तथा तकनीकी क्षेत्रों से संबंधित विभिन्न पुस्तकों का प्रदर्शन किया गया। इस पहल ने अधिकारियों एवं कर्मचारियों को हिंदी साहित्य की समृद्ध विरासत और ज्ञान के विविध स्रोतों से परिचित होने का अवसर प्रदान किया। यह आयोजन आधिकारिक कार्यों में हिंदी के प्रयोग को प्रोत्साहित करने तथा राजभाषा के प्रति जागरूकता और सहभागिता बढ़ाने की दिशा में एक महत्वपूर्ण पहल है।

30 सितंबर: समापन समारोह

हिंदी पखवाड़े का समापन समारोह श्री विशाल चौहान, सदस्य (प्रशासन), भा.रा.रा.प्रा., की उपस्थिति में आयोजित हुआ। विशिष्ट अतिथि प्रो. बलदेवानंद सागर ने राजभाषा हिंदी के महत्व पर अपने विचार साझा किए। विभिन्न प्रतियोगिताओं के विजेताओं को पुरस्कृत किया गया तथा सांस्कृतिक कार्यक्रम भी प्रस्तुत किए गए। यह आयोजन राजभाषा के प्रति जागरूकता और कार्यालयीन कार्यों में हिंदी के प्रयोग को प्रोत्साहित करने की दिशा में एक महत्वपूर्ण पहल रहा। हिंदी पखवाड़ा 2026 की कुछ झलकियाँ:

NHAI Celebrates Diwali with Enthusiasm and Cultural Spirit

On 5th November 2026, the National Highways Authority of India (NHAI) celebrated Diwali with great enthusiasm and festive spirit at its Headquarters in New Delhi. The celebration brought together officers and staff in an atmosphere filled with joy, creativity, and cultural harmony. Chairman Shri Santosh Kumar Yadav distributed prizes to the winners of the Rangoli competition, appreciating their artistic expressions that beautifully captured the spirit of Diwali. The event also featured vibrant musical performances and a series of competitions, highlighting the diverse talents of NHAI's staff. The celebration concluded on a note of togetherness and positivity, reaffirming NHAI's commitment to fostering a vibrant workplace culture that values creativity, unity, and the joy of collective celebration.
