NHAI/Policy Guidelines/External Professionals & Young Professionals/2017

No.1.3.1.12/2017 Dated, the 21st June, 2017

Subject: Guidelines and Procedures for engaging External Professionals and Young Professionals in NHAI.

1. Introduction

- 1.1 The National Highways Authority of India (NHAI) was constituted by an Act of Parliament, namely, the National Highways Authority of India Act, 1988. It is responsible for development, maintenance and management of National Highways entrusted to it and for matters connected therewith or incidental thereto. The Chairman NHAI is the competent authority to sanction posts up to the level of General Managers depending upon the need from time to time. There is a large gap at present between the number of posts sanctioned in the NHAI at different levels (1601) and the positions filled-up (977).
- 1.2 A detailed exercise has been carried out with the help of M/s BCG, consultants engaged by the Ministry under the World Bank Assistance, regarding the norms for establishing a Project Implementation Unit (PIU), and the normative staffing for a particular PIU. It has not been found advisable to fill-up all the vacant positions in one go as the same would have serious problems with cadre management. As a matter of fact, the Service Regulations of NHAI have been amended a number of times whereby a large number of inconsistencies have emerged. The exercise for comprehensive revision of Service Regulations is under process and the Draft Service Regulations are proposed to be placed before the NHAI Board in its meeting to be held in the month of July/ August, 2017.
- 1.3 For efficient discharge of its functions, the Authority has been engaging Consultants and Advisors etc. on the laid down terms & conditions in order to meet the manpower gaps. However, need has been felt to revise and consolidate the existing guidelines and procedures.
- 1.4 Therefore, in supersession of all guidelines issued earlier on the subject under the NHAI (Recruitment, Seniority and Promotion) Regulations, following guidelines are hereby laid down for regulating the engagement of External Professionals.

2. Objective:

These guidelines are framed for creating an additional resource base of quality professionals in NHAI, required for shorter periods, and capable of lending their expertise in fields such as Project Design & Appraisal, Procurement, Project Management and Monitoring, Land Acquisition, Performance Management,

Contract Management, Legal, Finance & Accounts and IT Applications etc. to enhance the capability and efficiency of NHAI as also to meet the requirements of specific initiatives (e.g. (i) Development of Wayside Amenities, (ii) Development of Logistics Parks, (iii) Greening of Highways, and (iv) Development of Inter-modal Stations etc.) or any other such initiatives/ tasks.

3. General conditions for engaging External Professionals

3.1 The manpower resources under these guidelines will be engaged broadly in following categories, namely:

(i) Advisors at three levels (Advisor, Joint Advisor, and Assistant Advisors), for clarity and distinction, they will be called as EPs.

(ii) Young Professionals, for clarity and distinction, they will be called as YPs.

3.2 The pool of EPs to be engaged in the above categories may be drawn from amongst the retired government officers or open market professionals, as per the criteria indicated in **Annexure-I**. They would be expected to provide full-time/ part-time services to NHAI during their period of engagement. Those engaged on full-time basis would not be permitted to take up any other assignment during the period of their engagement with the NHAI.

3.3 The EPs will be engaged under these guidelines on contract basis for a fixed period for providing quality services for specific projects and for specific purposes only and no claim, whatsoever, shall be admissible for regularization/ absorption of these personnel in the NHAI. These EPs shall be paid lump-sum/consolidated/ all-inclusive remuneration plus the Transport Allowance as applicable for the equivalent level in the Government. While the remuneration bands for each category/ level are indicated in **Annexure-II**, the general principles to be followed for determination of their remuneration shall be as under:

Sr. No.	Source	Broad Principle of determination of Remuneration
(i)	Personnel retired from Central or State Governments or Central/ State PSUs or Organizations of repute.	The principle of last pay drawn at the time of retirement minus the pension (updated in terms of 7 th Pay Scales), if there is a Pension Scheme, will generally be followed in these cases. However, the amount so worked out may be rounded off to the nearest thousand for the purposes of determination of remuneration of the concerned person.
(ii)	Personnel engaged from the open market	Remuneration may be determined keeping in view the total amount that may be payable to a person of that level/ stature with qualifications and experience in the NHAI within the prescribed range/ band. Due regard may also be given to the remuneration drawn by such person in the open market.

3.4 Except in the case of legal professionals/ experts, the EPs may be engaged up to an upper age limit of 65 years. In the case of Legal professionals/ Experts, the upper age limit will be 70 years. The upper age limit may be relaxed with the approval of the Chairman in deserving cases and for reasons to be recorded in writing.

3.5 The EPs engaged shall be required to execute an Agreement with the NHAI, which shall be drafted with legal vetting.

3.6. Number of External Professionals - Advisors

3.6.1 The EPs shall be over and above the regular sanctioned posts in the NHAI. As such, the total number of professionals in the category of Advisors at different levels to be engaged by the NHAI shall depend on the actual requirement at a particular point in time.

3.6.2 The contractual positions of Advisors at different levels shall be created on submission of proposals by the concerned Division and then approved by the Chairman.

4. Engagement of Young Professionals (YPs)

4.1 It has been decided to engage young professional resources at the cutting-edge level to overcome the existing gap between the manpower available and required. As a matter of principle, the number of YPs to be engaged under these guidelines shall keep going down in due course with the filling-up of regular cadre posts at the level of Deputy Managers and Managers. The “Young Professionals (YPs)” shall be engaged on contract basis specific to the project or area of work for a limited period up to two years, extendable by one more year depending upon the performance of the person during the initial period of engagement. It is specifically mentioned that these resources are not meant to supplement the routine secretarial/ ministerial assistance for various offices of NHAI. They have to be assigned core functions with delivery targets/ specified outcomes.

4.2 While NHAI would be able to augment its manpower resources and meet the shortage of staff resources through engagement of these resources, the YPs will also be able to acquire ground experience and emerge as high quality professionals in due course, equipped with experience for their future career prospects.

4.3 The YPs may be paid an all-inclusive monthly remuneration in the band of Rs. 60,000/- to Rs. 70,000/- depending upon their qualifications, experience, if any, and the value they would bring to the job. The amount of remuneration for the YPs shall be increased by 5% per annum during the period of their engagement, which shall not extend beyond three years in all.

There shall be no extension of contract beyond the period of three years under any circumstances for the EPs & YPs. However, in case it is found necessary in NHAI's interest to retain the services of any EP beyond a period of three years, any such engagement shall be with the approval of the Board and entail a fresh contract.

9.2 The engagement of an EP or YP can be terminated by either of the parties by giving 30 days' notice in advance or payment of one month's remuneration by either side in lieu of 30 days' notice period, as the case may be, and the contract would terminate automatically at the end of such period.
